

Trusted Distributor:  
Jindal, MSL

# ABOUT US

**Mr. Rajendra Dalmia**, a seasoned entrepreneur with over 50 years of diverse business experience, leads our group with deep expertise in manufacturing and trading. His vision and long-term approach have shaped both companies into trusted names in steel piping and industrial supply.

**Gajanan Tubes**, established in **2006**, is one of Mumbai's leading stockists and distributors of steel pipes, dealing exclusively in high-quality products from Jindal Star. We cater to top real estate developers, OEMs, and contractors across plumbing, firefighting, HVAC, and infrastructure, known for prompt delivery, reliable stock, and responsive service.

**Shree Gajanan Enterprise**, conceptualised in **2022**, focuses on valves, pressure gauges, and ERW fittings for fire-fighting, plumbing, and HVAC systems. As authorized distributors of Sant, Lehry, and HGuru, SGE serves the needs of infrastructure, industrial, and commercial projects with precision and dependability.

Both companies operate from **well-connected warehouses in Mumbai and Navi Mumbai**, ensuring smooth and timely delivery across the region.

Alongside our flagship Pipe business, we offer a focused range of **valves, gauges, fittings, and tools**- tailored to support the wider infrastructure and industrial ecosystem.
